

Report on B.Ed. Pre-University Examinations 2024

The Department of Education conducted Pre-University Examinations to provide students with experience before the final University Examinations. After the exams, results will be discussed and answer sheets will be shown to students. Additionally, they will also be given feedback and suggestions to enhance their skills and achieve good marks in their annual University Exams.

The B.Ed. Pre-University Examinations for both first and second year students were successfully conducted from 22nd April to 25th April 2024. The first year examinations commenced with core papers in the morning session, followed by Internal viva in the afternoon. Pedagogy papers were scheduled on Saturday, 27th April 2024. Second year examinations were held in morning and afternoon shifts from 22nd April to 24th April 2024.

In the beginning of the exams, students were very nervous. However, as the exams progressed, day by day, students became confident and attempted the exams enthusiastically. Despite the rigorous schedule, the examinations proceeded smoothly without any reported disruptions. Both faculty and students demonstrated commendable discipline and dedication throughout the examination period.
