

Report on Anveshan

28 March 2025

Students from St. Thomas' College participated in an event at IPEM College, Ghaziabad. Dr. Indu Bala Kushwah and Dr. Poonam Pandey represented St. Thomas' College of Education, along with four student representatives. They showcased their creativity by setting up a stall featuring various handicraft items made from diverse materials, including resin art, paper-mache clay creations, acrylic paintings, tribal masks, pots and diyas, wall hangings and more. Spectators took great interest in displayed handicrafts items and praised the performances of our students.
