

Road Safety Awareness Programme

07 May 2026

A Road Safety Awareness Programme was organized by the B.Ed Department with the objective of raising awareness among students and the public about the importance of following traffic rules and ensuring safety on roads. The programme aimed to encourage responsible behaviour among road users and spread the message of safe driving practices.

The programme began with an oath-taking ceremony in which students pledged to follow traffic rules, wear helmets and seat belts, avoid rash driving, and contribute towards making roads safer for everyone. The oath inspired students to become responsible citizens and promote road safety in society.

Students actively participated in the programme with great enthusiasm. They raised the meaningful slogan:

“Hum Sabka Ek Hi Nara, Sadak Suraksha Uddheshya Hamara.”

To spread awareness among the public, the students organised a rally carrying placards and banners displaying important road safety messages. During the rally, students loudly chanted slogans related to traffic discipline, safe driving, and accident prevention. The rally attracted public attention and successfully conveyed the importance of road safety awareness.

The programme concluded with a message emphasising that road safety is a shared responsibility and that every individual must contribute towards reducing accidents by following traffic rules sincerely. The event proved to be informative, inspiring, and successful in spreading awareness among students and the community.
