

Report on Clean and Green Campus Activity

7 May 2026

St. Thomas' College of Education organized a "Clean and Green Activity" on 7 May 2026 for the B.Ed. 2nd Year students. The activity was conducted with the aim of creating awareness about environmental protection and encouraging students to adopt eco-friendly practices in their daily lives. The students actively participated in various activities such as plantation, cleanliness drives, and spreading awareness regarding the importance of conserving nature. The program motivated students to understand their responsibility towards the environment and inspired them to contribute towards a cleaner and greener society. The activity was informative, meaningful, and successful in promoting environmental consciousness among the students.
