

Mentorship Session

B.Ed. Ist Year and IInd Year

On 9 March, 2026 a mentorship session for B.Ed. students was conducted by the faculty members of the B.Ed. Department to address students' personal as well as academic concerns. The session provided a supportive platform where students could openly share issues related to studies, time management, stress, confidence and adjustment in college life. Faculty members offered valuable suggestions to help students to improve their academic performance and maintain emotional well-being.

Students were encouraged to remain positive, focused and disciplined in their daily routine. The session also highlighted the importance of communication skills, self-motivation and balanced learning habits. Students actively participated in the discussion and shared their experiences and difficulties. Faculty mentors motivated them to develop problem-solving abilities and maintain healthy relationships with peers and teachers. Overall, the mentorship session was interactive, meaningful and highly beneficial for the students' personal and academic growth.
